The early 1950s were the pinnacle of horror comics, both in terms of quality and popularity. From 1952-1954 TALES OF HORROR was the Toby/Minoan contribution to the mind-bending of the American youth. Soon after, the Comics Code and censorship would take over the comic book industry and water down the horror comics; these pre-code books offer a perspective not seen again for decades. We have all 13 issues of TALES OF HORROR for you: As individual Issues; In a great 4-volume collection; Altogether in the giant CLASSIC COMICS LIBRARY #277 RARE COMICS CAN BE HARD TO FIND IN EXCELLENT CONDITION. These books are reprinted from the best available images, and the books will be updated as new copies are uncovered. Sometimes the early and rarer books reflect the age and the condition of the originals. Our books are NOT digitally remastered; they are taken from scans of actual comics. Many people enjoy these authentic characteristics. If you are not entirely happy, please contact us for exchange or refund at any time!
