

The Adventure of Being Human II: Mother Spirit Speaks: More Lessons on Soulful Living from the Heart of the Urantia Revelation

The central deity-personalities of the Urantia Revelation are humanity's spiritual parents Christ Michael (or Jesus) and his coequal partner, Mother Spirit. In this sequel to *The Adventure of Being Human: Lessons on Soulful Living from the Heart of the Urantia Revelation*, the focus is exclusively on Mother Spirit, the all-loving, omnipresent mother of us all. She is the reality behind all of the cherished notions of a divine mother throughout human history as well as the majestic source of the Holy Spirit, and of life itself. In this charming guide you will learn all about her and discover how she regards the unique challenges of being human. She will explain why our lives on this complex and sometimes dangerous planet offer an ideal setting for our adventures of soul growth. This book provides a selection of Mother Spirit's teachings from her many years of live transmission sessions, along with rich supporting materials. Her unprecedented and delightful instructions on the art of soulful living are more accessible than ever before.
