

Queen of Broken Hearts

Con artist is a little too strong a descriptor for Birdie Anders. She prefers the term Fabrication Specialist. Taking over her high school was easy for a girl whose mother fabricated her way into becoming a Hollywood movie star. Now Birdie just has to keep her minions under control while maintaining her perfect image. Oh, and make sure no one digs up her criminal record. Things are about to get less than perfectly boring. The criminal-record-inducing love-of-her-life is back in town, and hes determined to crash her life into the un-sparkly rocks. Losing is for losers. Birdie isnt about to lose everything shes fought for to a boy. She needs to execute the ultimate take down before her crown gets lost in the scuffle. But the real problem might be keeping her traitorousheart from getting in the way. Queen of Broken Hearts is a 90 page novella.
