

The Biggest Football Pub Quiz Book Ever!

The second edition of *The Biggest Football Pub Quiz Book Ever!* taps into three hugely popular sections of British culture: football, drinking and quizzes. Football is by a long way the most popular of all sports; a night out at the pub is one of the most popular ways of ending the day; and showing off your knowledge is, well, probably bigger than both of the others. But be careful! The people who set the questions for this book know their subject and you may well discover that your knowledge of football is nothing like as broad as you thought. Mind you, as you sup your pint wondering who replaced Gretna in the Scottish League in 2008, you can look around and see that everyone else has the same look of bewilderment and ignorance as you (its Annan Athletic, by the way). Fully updated to include recent events, including the 2008-09 season, and featuring cryptic questions for the first time, *The Biggest Football Pub Quiz Book Ever!* not only will test your football knowledge, it will help you set up a quiz of your own so you can be the grand inquisitor rather than the helpless victim.
