

The Book of Bunnies: Lessons from the World of Nature for Creating a Happy Life

The complexities of the human experience often bring less happiness than we hope for and deserve. In *The Book of Bunnies* ways of enhancing our well-being can be found in simple lessons from nature that inspire and enable us to improve the quality of our lives and our world. Though not a book about religion or spirituality, *The Book of Bunnies* offers a thought-provoking addition or alternative to the dogma of organized religion. Posited by a view of the present and historical violence and tyranny that has resulted worldwide because of unquestioned adherence to doctrines that support fundamentalist group think, *The Book of Bunnies* offers a guide that opens a window for thought and focus on the basics of what we really do need to believe in and practice for a more harmonious life for ourselves and our planet.
