

## U.S. Navy Cook-Book

Published by The U. S. Navy Commissary School in 1920, this book was written for the purpose of qualifying men for the various ratings of the commissary branch. Special care has been taken to preserve the original document format as much as possible, and the recipes have been checked for accuracy. This publication may be of interest to those who wish to study U.S. Naval history. It may also be of interest to anyone who must cater to large crowds, as the recipes were developed to feed 100 personnel.
