

The Covenant of The Torch: A Forgotten Encounter in the History of the Exodus and Wilderness Journey (History of Redemption)

The Covenant of the Torch made with Abraham is the most significant among all the covenants in the Bible. Why? Its the most detailed yet condensed summary of Gods divine administration for redemption that outlines the work of restoration of His godly people and holy land. In this book, Rev. Abraham Park brings to life the Covenant of the Torch, and helps us to understand accurately, and in chronological detail 692 years of redemptive history starting from Abraham, including the great exodus, the wilderness journey and the conquest of Canaan. Just as his best-seller The Genesis Genealogies has helped readers to better understand the time frames and relationships in the Book of Genesis, Rev. Park now helps us to carefully study the books of Exodus up to Joshua, and to realize what those events and participants tell us regarding Gods larger plan. This book offers: A detailed chronology of 692 years from Abraham to the Israelites conquest of Canaan. The first ever map of all 42 camp sites in the wilderness. Color photos of the locations in the wilderness journey. A theologically sound method of viewing Gods Word through the perspective of Gods administration in the history of redemption.

Wisdom to overcome the spiritual wilderness.
