

# The Game Is Rigged. How To Profit From The Coming Global Economic Collapse.

The global economy is collapsing NOW and it is well underway in Europe already. Dont be misled, a total economic collapse is a mathematical certainty. However, because of these sequences of events never before in human history has there been a greater time for those with little or no net worth to become very wealthy. The largest transfer of wealth the world has ever seen is already well underway and it all boils down to a simple transaction. If you want to know the truth about where the global economy is headed and how to make huge profits from it look no further. This book contains a simple step by step plan which anyone can follow and gain massive wealth. In the near future there are going to be two classes of people, the upper class and the lower class, the middle class will be gone-Which class do you want to be? \*\*This book also contains a never before published prediction about the next economic SUPER bubble!\*\*
