

The Godly Rebellion: Parisian Cures and the Religious Fronde, 1652-1662 (UNC Press Enduring Editions)

This intriguing study shows that a religious revolt, spurred by deep divisions within the church, followed the princely and parliamentary rebellions of the French civil war known as the Fronde. The cures vied with the crown, the bishops, and the Jesuits for control of the parishes. In examining the Fronde, Golden demonstrates the connection between Janenism, Richerism, and ecclesiastical politics and how it shaped the rule of Louis XIV and the role of the cures in the French Revolution. Originally published in 1981. A UNC Press Enduring Edition -- UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.
