

The Kinetic Kin (The Kinetic Series Book 2)

Its the second year on the Isle of Peritia for Abby Woods. Everything has went smoothly over the year as she and her family have been protected by the Watchers. But things have started to change for her. Her abilities happen in her sleep and she needs answers. Once back on the island, she resumes her training and begins a new class, Mind Defense. Sir Asher also sets her up with private Mind Defense classes with a teacher so she can learn quickly. Soon, someone disappears off the island which has everyone questioning how that is possible. And then a second person is taken and Abby realizes that if things arent figured out soon, the island wont be safe for anyone.
