

Chin Up, Heart Strong: A non fiction novel, based on actual events

Since when had it become less scary to fall asleep, to come face to face with her worst nightmare, rather than being wide awake? Since when? Since she began to actually experience her worst nightmare whilst she was wide-awake. Since when? Since The News, that is when. Chin Up, Heart Strong, is a work of non fiction that depicts the day and those that follow, from the time a family receive the news that the father has incurable cancer and is predicted to have a matter of months left to live and the events that occur after, before concluding when a year has passed.
