

The Making Of A Champion: Success Is An Inconvenience

The Making of a Champion: Success Is An Inconvenience. The Hard Truth about What it Takes to be Successful, Not Just on Game Day, But Everyday! is an extraordinary book about football and life. Coach Joe Taylor is a legend in his field. He has won 3 National Championships, 14 Conference Championships, 7 Bowl games, and has a lifetime win-loss record of 229-89. He is respected with the likes of Eddie Robinson and Jake Gaither. More important than his success on the football field, he has coached and mentored thousands of young men from childhood to manhood. He has coached in historically black colleges and has helped many young men, who might have gone down the wrong path, to graduate and become successful contributors to society. These individuals have come forward to share their personal stories. This is a must read for anyone who loves the game, coaches the game, or has children involved in sports. In addition, anyone who wants to take his or her life to the next level will find tremendous value in this book. Coach Taylor has been inducted into three separate Halls of Fame.
