

Success: A Comprehensive Guide: 10 Powerful Lessons to Achieve Success in Life and Business

Not just another book, Success: A Comprehensive Guide is a complete, step-by-step manual for achieving life of your dreams. This book is a result of 14 years of testing & verification of different success strategies. Having read all the best success books, listened to audio tapes and attended seminars on how to become successful, only the most effective information and ideas were taken - ones which produced the actual results in real life - and the rest were discarded. This book will give you simple, practical, proven methods to become successful in ANY field of life. You are now holding a key to your better future! Some of the secrets to success you will learn inside:*

- How to make a fresh start right now?*
- How to preserve your focus and protect it against everyday distractions?*
- Learn how small shifts in your behavior can create BIG changes in your life?*
- How to develop a success mindset? The deciding factor behind success and failure.*
- Research proven: A secret ingredient which makes up 85% of the success in life.*
- How to create and define your vision (Step-by-step)?*
- A step-by-step process for figuring out solution of ANY problem you come across.*
- How we create and strengthen our mental beliefs?*
- How your negative beliefs BLOCK you from success and what to do about it?*
- 3 powerful ways to find and eliminate your negative beliefs?*
- A step-by-step procedure to strengthen positive beliefs in your mind.*
- 4 step guide for creating extremely effective plans.*
- How to take an idea or concept and turn it into a real world application?*
- Why a BLUEPRINT PLAN gives you an edge over regular, everyday planning?*
- A step-by-step process to identify which information is useful and which to ignore.*
- What to do when you are over-burdened with work?*
- The best exercises to completely destroy the habit of procrastination?*
- How to think about
