

The Only Way is Ethics - Living Out My Story: And some pastoral and missional thoughts about homosexuality along the way

THE ONLY WAY IS ETHICS is an accessible, practical series of guides designed to equip both new and mature Christians to think through important and current ethical issues in the light of the Bible and theology. It offers help to Christians facing these issues themselves and for ministers as they provide guidance.

Each guide (also available separately in print or as an e-book) has a Go Deeper section listing resources for further reference. In a world of increasing ethical complexity this is an invaluable down-to-earth practical resource for Christians. Sean Doherty has produced a much-needed accessible introduction to a series of controversial subjects in which he confronts tough questions based on candour, common sense and personal experience. It will be widely welcomed. Dr Don Horrocks, Head of Public Policy, Evangelical Alliance SEAN DOHERTY is Tutor in Ethics and Director of Studies at St Mellitus College and one of the founders of www.livingout.org. He is married to Gaby, with four children, and they are involved in ministry in an inner-city church plant in a housing estate in London. Sean is a member of the Grove Ethics group.
