The Path to Becoming a Proverbs 31 Wife: Walking in Your God-given Role is a 31-day devotional book for the woman who desires that her marriage be more than one that merely survives, but become one that absolutely thrives. Each page of this devotional will lead you on a growth journey as you come to fully realize just how significant your role as a wife really is. You are a rare beauty, one of a kind, truly special and entirely significant. You are an answer and a gift. And you play a vital part in developing the kind of marriage that God has intended for you to have from the very beginning. Come, build your marriage. Build your man. Build your home. Place your feet on a fresh new path, Gods path. I dont know about you, but I dont want to just be a common wife with a common love and a common marriage. I want more! Show me the right path, Oh Lord; point out the road for me to follow. Proverbs 25:4
