

The Pilgrimage: A Father and Son at the Home of Golf

In 2011 Charlie Thurston set out to fulfill a lifelong dream of playing golf in St. Andrews, Scotland. Thurston, a PGA Professional from Spokane, Washington had previously visited Scotland on a golf tour with members of the club he works at in the United States. That initial tour did not afford the opportunity to play at the home of golf, St. Andrews. What started as a dream became an obsession and eventually a quest for a pilgrimage to St. Andrews with the singular goal of playing on the Old Course itself. This book tells the story of a father and son who made a dream come true. The sole purpose of this book is to inspire all golfers to make that pilgrimage to the home of golf, St. Andrews.
