

## The Ten Pleasures of Marriage

Now, O Lover, till this time you have been endeavouring, slaving, turmoiling, sighing, groaning, hoping and begging to get from those slow and tardy lips, that long-wishd for word of Consent; you have also sent many messengers to your Mistriss, to her Parents and Tutors, who were as able to express themselves as the best Orators, but could obtain nothing; yet at last that long desired Word, is once descended by the Draw-bridge of her lips, like a rich cordial upon your languishing heart. You have vanquishd all your Rivals. Oh who can imagine your joy!
