

The Power of Positive Believing

This dynamic book is how to become a winner beyond The Secret. Providing easily-absorbed knowledge of how to acquire and maintain the good life that happens daily bringing happiness, peace of mind, family wealth in all its aspects, and an extraordinarily valuable life, and legacy, into every-day living. Its about believing in oneself using a firm set of day-to-day guidelines developed and practiced by John Niles as he grew in his amazing career that took him from poverty and want. He led himself into such a social concern status that it lead to many friendships within the Billy Graham organization, luncheon discussions with notables such as Deepack Chopra, and the granting of awards from governments and organizations for his stewardships of concern for children and families. Readers will learn to believe in themselves and be free of all that bothers them. A new life of success and harmony awaits all who spend time applying the benefits within the pages of this book.
