

## The Quran The Final Evidence They Dont Want You To Know

This is a research project and a documentary book on comparative religion and religion and science. This book contains several parts which are written by different authors. For example this book contains The Quran and Modern science of Dr. Zakir Naik and also a summary of The Bible the Quran and science of Dr.Maurice Bucaille. This book contains much more information on religion and science which was arranged and organized by Mr. Faisal Fahim. This book contains several books written by Ahmed Deedat. This book also contains many other articles about religion and science and on the topic of comparative religions. It also contains an Islamic prayer book so both Muslims and non-Muslims can benefit from this work. This is an A to Z book on Islam, Christianity, Judaism and science.
