The Science of Getting Rich by Wallace D. Wattles and As a Man Thinketh by James Allen

**BOOK ONE: The Science of Getting Rich by Wallace D. Wattles** THIS BOOK IS PRAGMATICAL, NOT PHILOSOPHICAL a practical manual, not a treatise upon theories. It is intended for the men and women whose most pressing need is for money, who wish to get rich first, and philosophize afterward. It is for those who want results and who are willing to take the conclusions of science as a basis for action, without going into all the processes by which those conclusions were reached. It is expected that the reader will take the fundamental statements upon faith, just as he would take statements concerning a law of electrical action if they were promulgated by a Marconi or an Edison, and, taking the statements upon faith, that he will prove their truth by acting upon them without fear or hesitation. Every man or woman who does this will certainly get rich, for the science herein applied is an exact science and failure is impossible. In writing this book I have sacrificed all other considerations to plainness and simplicity of style, so that all might understand. The plan of action laid down herein was deduced from the conclusions of philosophy. It has been thoroughly tested, and bears the supreme test of practical experiment: It works. Very Truly Yours Wallace Wattles

**BOOK TWO: As a Man Thinketh by James Allen** THIS little volume (the result of meditation and experience) is not intended as an exhaustive treatise on the much-written-upon subject of the power of thought. It is suggestive rather than explanatory, its object being to stimulate men and women to the discovery and perception of the truth that They themselves are makers of themselves. by virtue of the thoughts, which they choose and encourage; that mind is the master-weaver, both of the inner garment

of character and the outer garment of circumstance, and that, as they may have hitherto woven in ignorance and pain they may now weave in enlightenment and happiness. JAMES ALLEN. BROAD PARK AVENUE, ILFRACOMBE, ENGLAND
