

# Money and Happiness (The Scientific Way): Scientifically Proven Ways To Be Happy And Highly Effective Life Hacks For Financial Independence

#1 BEST SELLER IN FREE KINDLE BOOKS\*\* What is the fastest and most effective scientifically proven way to become a happier person? There is a growing body of scientific research answering those exact questions and it turns out that money has a small but significant role to play. This is not only a fascinating book full of surprises, but vital too: you will be left with practical, evidenced based techniques that will help you live a happier and more fulfilled life. In this practical and scientific based guide towards happiness and financial freedom you will learn: Why failure is awesome. Why complaining is good for you. What researchers have to say about the more money = more happiness question. What academics say about faking your way to success. And many more surprising scientifically based insights \*\*Best seller in categories of Happiness, Personal Money Management, Self-Help and Budgeting.
