

## The Screwtape Letters: Letters from a Senior to a Junior Devil

A milestone in the history of popular theology, *The Screwtape Letters* is an iconic classic on spiritual warfare and the power of the devil. This profound and striking narrative takes the form of a series of letters from Screwtape, a devil high in the Infernal Civil Service, to his nephew Wormwood, a junior colleague engaged in his first mission on earth trying to secure the damnation of a young man who has just become a Christian. Although the young man initially looks to be a willing victim, he changes his ways and is lost to the young devil. Dedicated to Lewis's friend and colleague J.R.R. Tolkien, *The Screwtape Letters* is a timeless classic on spiritual conflict and the invisible realities which are part of our religious experience.
