

The Searchers Guide to the Apocalypse: A Verse-by-Verse Quest to Understand the Book of Revelation

The Searchers Guide to the Apocalypse is a verse-by-verse quest to understand the Book of Revelation, the final book in the Bible and the first place many people go to seek answers about the future. But the Book of Revelation is more than prophecy. It is rich with information about the first-century church. And it is relevant to 21st Century Christians who wait eagerly for the return of Christ. Revelation promises a blessing to every person who reads, hears, and keeps the words of this prophecy, and The Searchers Guide aims to sort through various end-times scenarios, uncovering the rich and unchanging truths of Gods Word.
