

# The Shocking Truths about Heaven, Hell and Your Birthright Blessing: Volume I

This book reveals what you always wanted to know about the issues of life, death and the afterlife. Supported by Scriptures, it reveals shocking truths about heaven, hell and your birthright blessing. There are four components to God's birthright (covenant) blessing which are His (1) word blessing, (2) peace blessing, (3) wealth blessing, and (4) eternal life blessing. God set this inheritance aside for you before you were born. There is enough abundance in your birthright blessing to fulfill every need you have. It entitles you to dwell in a land of utopia whereby your peace, health, friendships, quality of life, holiness and well being are absolutely perfect. Speaking of the good life, it doesn't get any better than this. This book shows that (1) you have a personal calling on your life (you're created for a purpose), and (2) your racial group has a calling to fulfill. You need to know your personal and racial callings, for they are eternal. Before you can appreciate what God has in store for you, you need to know who you are (the real you that God created you to be). This book reveals the real you. This book also confirms the reality and location of heaven and the materials saints' new bodies will be made of. It shows what saints do in Paradise now and forevermore. You'll be delighted and pleasantly surprised to know your heavenly activities. This book reveals (1) where Hades is located (the temporary abode of sinners called the region of disembodied spirits), (2) where the permanent place of torment is located called the eternal lake of fire, and (3) the cursed materials sinners' bodies will consist of. In hell, sinners' bodies will burn to ashes and be recycled to burn all over again. God's Scriptures confirm these truths.
