

The Tabernacle

One of the dullest parts of the Bible is the description of the Tabernacle in the book of Exodus, yet this dusty grey tent on the backside of the desert contains some of the most wonderful pictures of Jesus Christ, salvation, the universe, and the Scriptures themselves found anywhere in the word of God. In this booklet, Dr. Ruckman reveals the precious, spiritual typology found in the Tabernacle of Moses, making the neglected end of Exodus plain. Illustrations of the layout and furniture of the Tabernacle are also included. (Print Length: 35 pages)
