

The Triune Hypothesis

Which of the following is the correct way to read Bible prophecy? A. Immediacy B. Historicism C. Dispensationalism D. Preterism (Full or Partial) E. Idealism F. Realized/Sapiential Eschatology G. All of the above H. None of the above Find out in The Triune Hypothesis. Based on an examination of how (not just what) Jesus and the prophets prophesied, The Triune Hypothesis is a guide to reading the Bible prophetically in all three dimensions of interpretation—the horizontal axis in time (what was, is, and/or is to come), the perpendicular axis in application (literal, figurative, and/or spiritual), and the vertical axis in context (thesis, generality, and/or antithesis). Topics of discussion include the resurrections, the triune Last Days, the Pentecosts, the one-baptism-in-three-parts, the triple application of the Elijah prophecies, the Temples in Jerusalem, the Abominations of Desolation, the Triune Israel, the devolution of prophecy, and much more.
