

UFO Cover-up: What the Government Wont Say

Authors Lawrence Fawcett and Barry J. Greenwood reveal in this fascinating, thought-provoking book, based on the governments own research and internal files, what they have learned about: UFOs as a threat to national security. UFO sightings at military bases in the United States, North Africa, and the Middle East. The cover-up role of the FBI and the CIA. The presidents, legislators, astronauts, military leaders, and international scientific authorities who are on record as in favor of renewed investigation of UFOs.
