

Usagi Yojimbo Saga Volume 7

Stan Sakai's wandering rabbit ronin faces his toughest battles yet in this seventh installment of the definitive compilations! This riveting volume includes the stories *Traitors of the Earth*, in which Miyamoto Usagi faces a terrifying horde of the undead, *A Town Called Hell*, wherein Usagi must win peace for villagers caught between two competing gang lords, *Those Who Tread on the Scorpions Tail*, which pits Usagi against the notorious Red Scorpions and their shadowy leader, and much more! Collects *Usagi Yojimbo Volume Three #117-#138*, and the Free Comic Book Day 2009 story, *One Dark and Stormy Night*. One of the longest running series in comics, the quality of the narrative still remains undeniably high. - *Paste Magazine* Sixteenth-century Japan is never so entertaining as in Stan Sakai's tales of Miyamoto Usagi. - *NPR's Best Books of 2014*
