

Its What You Think (Thinkology)

Its What You Think is a mind-growing guide to controlling your thoughts and instantly creating a happier life. Passionately written through Titus personal experiences and growth it gives you the simple truths of the power of thinking and the vital importance of happiness. It sets your heart pounding as you read how your thoughts grow to create your reality. Through the chapters you understand why the mind is your greatest power and how belief and grateful thoughts will energise your happiness. You are guided to your inner emotional ecstasy one step at a time. Titus vaporizes some of the things you currently believe about being happy, shattering beliefs that hold you back. Applying tried and tested methods and truths releases you from stresses and empowers you to more successes. After reading this explosion of thinking wisdom there is no turning back. What you think will be totally inspired.
