

The Working Tools of Leadership: Applying the Teachings of Freemasonry

The Working Tools of Leadership: Applying the Teachings of Freemasonry goes beyond typical Freemasonic exposes and discusses leadership development using the symbolism of the working tools found in Freemasonry. Applied to work, family and community leadership roles, the working tools can provide valuable lessons in leadership. This book, written through the authors experiences, combines insight into the application of the ancient symbolism of Masonic tradition with a readers interactive journal to provide a workbook and instruction manual for future leaders of Masonic and, non-Masonic organizations alike.
