

# Think and Grow Rich: Stickability, The Power of Perseverance

You've learned the principles in Napoleon Hill's classic *Think and Grow Rich* now give them **STICKABILITY!** The path to personal and professional success is not a one-way street. Most people encounter setbacks and obstacles that threaten to derail them from their chosen route. The most successful people, however, adhere to their principles and goals, capitalizing on hidden opportunities, even in the face of what many would consider unconquerable obstacles. To coin a new word these people have **STICKABILITY!** This thought-provoking book shows readers of all ages and backgrounds how they, too, can not only apply the self-motivation principles of Napoleon Hill's timeless and groundbreaking self-help volume *Think and Grow Rich*, but make them stick. Combining author Greg S. Reid's modern business wisdom, interviews with numerous business celebrities like Steve Wozniak (co-founder of Apple), Frank Shankwitz (founder of the Make a Wish foundation), and Martin Cooper (inventor of the cell phone), and valuable information from the secret files previously available only to the Napoleon Hill Foundation and its members, this book will reveal: The Three Causes of Failure from Napoleon Hill's hidden vault of wisdom; The importance of flexibility; The principle of relaxed intensity in action; How to define and conquer your cul-de-sac moments; How to overcome the ghost of fear; The importance of insight through necessity; And so much more! Each inspiring chapter will remind readers that if ever a discouraging moment arrives and the temptation to stop becomes greater than the dream, to keep one simple observation from Dr. Hill in mind: Most great people have attained their greatest success just one step **BEYOND** their greatest setback and failure. **STICKABILITY** shows readers just how life-changing this simple principle can be. Additionally, it gives readers an outline on how to develop their own
