

RIBBON OF TRUTH

RIBBON OF TRUTH Ribbon of Truth is a philosophical prose that treats series of life-giving matters to some reasonable extent, on the platform of simple truth. It is a reading material that is meant for elucidation of minds of human beings of all: races, cultures, principles and disciplines; for individuals to discover themselves rightly, develop themselves rightly, maximise the utility of their grace and opportunities and live triumphantly from this terrestrial platform to the celestial platform; to the glory of God and for public humiliation of the devil and all his hosts.
