

## Never Let Yourself Go Back

This Self-Help book is about domestic violence. It is also about the sexual, mental and emotional abuse at all ages. I tell my story of the abuse I have went through in my life. Reading this book, will help you if you have or if you are going through some of the same things. It will help you to feel free to break through your silence and start all over. I did and I hope to inspire those of you who need help getting through this. Read this and get the help you need. The best advice always comes through those who live through some hard experiences and can make it through.
