

## The End Times: What Happens Next?: 7 Foundational Warnings From End Time Bible Prophecy (Beware of The End Times! Book 1)

?-Book One- Preparedness? is our responsibility as believers in Yeshua. He told us about preparation over and over thru His parables. In summary, the prepared prevail. Preparation is physical and spiritual. ?Prophecy? is redemptive and if we believe it, we should appropriate that belief with action that produces spiritual and physical yield. We all know that as contractions get closer together, birth is near. As I watch the birth pains preceding the Messianic reign increase in frequency and the visible one-world government plan of the enemy getting closer and closer in view, I am reminded of our supposed victory, but the bride MUST be prepared and appropriating the instructions and words of her groom. Is she ready? The Messiah was sent here 2000 years ago, so you can prevail! He told you how to experience salvation, he exemplified an obedient lifestyle, He paid for your sin, and left His Holy Spirit to enable your success. This book and its counterparts in the series will lay a foundation to appropriate your faith in Bible prophecy today. In Matthew 24:46-51, Yeshua said, It will go well with that servant if he is found doing his job when his master comes. Yes, I tell you that he will put him in charge of all he owns. But if that servant is wicked and says to himself, My master is taking his time; and he starts beating up his fellow servants and spends his time eating and drinking with drunkards; then his master will come on a day the servant does not expect, at a time he doesnt know; and he will cut him in two and put him with the hypocrites, where people will wail and grind their teeth! Learn and appropriate your faith so you can enjoy the redemptive qualities of prophecy!
