

## Peace, to Be or Not to Be

This book is my challenge to you to erase the scars of your past that have kept you from becoming the person you truly Are. It shows you a way to bring back that perfect child you were before others gave you a pattern to follow and a mask to wear. That is not to discount the wonderful teachings and things you have learned in life but to erase the messages that kept you from becoming the most you can be. It leads the way to reopen the child's Awareness of your Beginning that kept your Soul alive to the Spirit of God where you were free of a man made guilt. It kept you joyful and happy with your surroundings. When you erase the suppressions, you renew your beginning, fresh and free to awaken the true talent you were meant to share in the Creation of a New and Peaceful World. You are not insignificant but truly Important to its Completion., every one of you. For you were not made to fail even if others told you that you were. You were made to, Become that we may all share in your true talents .
