

To The One Person I Consider To Be My Soul Mate: Loving messages meant to be shared with a very special person (Blue Mountain Arts Collection)

This is a very special collection of writings. Its one part book, one part love letter, and one part celebration. Its for people who are deeply, joyously in love -- and who would love to have a way to express those deep and lasting feelings. Once in a great while, and usually when its least expected, a special miracle manages to find its way into two lucky peoples lives. In a meant-to-be moment -- somewhere between the opening words, the shared smiles, and the growing amazement that this closeness is beautifully real -- comes the recognition that this is it -- this is the one person youve waited for, the one youve dreamed of, the truly wonderful love of your life. This book is a celebration of that kind of relationship. It is a gift that captures in words the things that are often so hard to say... and it expresses, in a very beautiful way, the happiest feelings, hopes, and dreams two people can share.
