

## Reasons to Live

What's needed above all is clarity. If you are clear and pure in your intention, clear and certain as to your goals achievability, clear and honest as to your level of commitment, mountains can be scaled. Start with the self-made mountains inside. Know that you are as powerful as you decide to be, as effective as you design to be and as inspiring as you are determined to be. More life-lessons from the online diary of a human dynamo. Rikki Beadle-Blair was born and raised in South London. He attended the Bermondsey Lampost Free School where he could study whatever he liked and so focused on the arts and entertainment. He makes films, theatre, music, dance and art. His production company Team Angelica has developed several plays and films, including 'Bashment', 'Fit', 'KickOff', 'Taken In' and the South London Passion Plays. Passionate about encouraging creativity and self-expression, Rikki has developed several courses under the 'In the Room' banner to facilitate creative career advancement. Reasons to Live follows on from the success of his previous What I Learned Today.
