

Gods Timing Not Mine

Alice is an Australian Christian mother who lived through many years of domestic and family violence before finally escaping it and beginning on a journey of self-improvement, rebuilding her shattered life. Through the book, we join her as she goes through the highs and the lows of these difficult times, as well as glimpsing Gods timing for Alice throughout it all. Gods Timing Not Mine also contains an article describing what domestic violence entails as well as related poetry and short stories. Do you know what domestic violence includes? Or wondered where God is during a hard time?
