

## Play Better Golf By Next Weekend Volume 1: The Ultimate Mini-Guide To Golf: The Basics

Play Better Golf By Next Weekend: The Ultimate Mini-Guide To Golf: The Basics. So you're thinking of taking up golf and joining the many millions who already participate in this wonderful sport on a near worldwide basis. Well, this easy-to-read-and-digest guide will tell you, in jargon-free language, all you need to know about the origins, development and etiquette of this extremely popular and widely-played sport when it originated, how the rules have evolved, what to expect on the typical course, how you should conduct yourself during a round of golf, the correct attire to wear and what clubs to use in any given situation. Volume 1 of Play Better Golf By Next Weekend will set the aspiring golfer up for an ultimately fascinating journey down fairways, in and out of bunkers, to the flag and beyond. Further volumes in this series will cover every aspect of this past-time including, not only a thorough analysis of shot and club selection but, for example, developing the right mindset to be as successful as you want to be and the fitness regime necessary to play the game at a reasonable level.
