

Torquemada and the Spanish Inquisition: A History (Classic Reprint)

Excerpt from Torquemada and the Spanish Inquisition: A History
The history of Frey Tomas de Torquemada is the history of the establishment of the Modern Inquisition. It is not so much the history of a man as of an abstract genius presiding over a gigantic and cruel engine of its own perfecting. Of this engine we may examine for ourselves to-day the details of the complex machinery. Through the records that survive we may observe its cold, smooth action, and trace in this the awful intelligence of its architect. But of that architect himself we are permitted to catch no more than an occasional and fleeting glimpse. It is only in the rarest and briefest moments that he stands clearly before us, revealed as a man of flesh and blood. We see him, now fervidly urging a reluctant queen to do her duty by her God and unsheathe the sword of persecution, now harshly threatening his sovereigns with the wrath of Heaven when they are in danger of relenting in the wielding of that same sword. But in the main he must be studied, not in his actions, but in his enactments - the emanations of his relentless spirit. In these he is to be seen devoutly compassing evil in the perfervid quest of good. Untouched by worldly ambitions, he seems at once superhuman and less than human. About the Publisher
Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com
This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical

works.
