

Our Heroes Tree

Our Heroes Tree honors the service and sacrifice of military members and military-connected families, past and present. Artist Chandler Dudley, making her professional debut, brings Our Heroes Tree to life. Weaving a range of emotion into her artwork, Chandler creatively and lovingly captures the themes of Our Heroes Tree: REFLECT, REMEMBER, REJOICE. Following its inaugural debut in 2005, Our Heroes Tree, co-founded by Stephanie Pickup and Marlene Lee, has taken root in communities across the country and around the world. The growth of Our Heroes Tree cultivates a national forest of respect, featuring generations of history and relationships on every tree. Our Heroes Tree also raises awareness of community resources for Veterans and military spouses. People of all ages enjoy decorating Our Heroes Tree. Reading the poem for Our Heroes Tree is a great way to kick-off your event or share it as a gift with participants.
