

Swing Thoughts: Simple Observations to Improve Our Christian Lives...and Maybe Even Our Golf Games

Swing Thoughts is a remarkably concise, yet comprehensive observation of the parallels between the game of golf and a well-lived Christian life. With refreshing humility and transparency, David Felts takes us from the links of Saint Andrews to the marshes of Harbour Town while helping us understand and apply the fundamental principles of the Christian faith. Its a must-read for anyone with a love for the game of golf and a desire to pursue more meaningful relationships with others along with a rich and abundant life in Christ.
