

UFOs and Abductions in Brazil

South American ufologist Irene Granchi has been involved with UFOs for over 50 years and has been studying them intensively for over 30 years. The author offers a plethora of case histories. Brazil has been a hotbed of UFO incidents since the 50s, and this work serves as both a personal memoir and a scientifically-directed account of the happenings that have occurred there. Irene Granchi has researched the sightings, the report of crash landings and the abduction and cloning cases.
