

The Chosen: The Chosen Series, Book One

Halli thought she was just another dwarf, living a quiet life in Drumple, her village on Phantasma. When Queen Laurali of the elves shows up, Halli's entire life changes. She learns the truth about herself, and must quickly adapt to being a Holy Paladin in order to join The Chosen, a group of warriors selected for a mission to save Phantasma. Now, Halli must face her biggest fears and learn to believe in herself, as will her companions. Will The Chosen be able to come together to save their world from the evil that is set on destroying it? Only time will tell.
