

VELTRA (Spelled Book 1)

An Unexpected Change in Plans But Im not Theran, he retorted as he wriggled out of my arms and then staggered backwards. Im Keeran, with a K. Oops! Id heard that for every witch in the world, there was at least one witch that could be his or her twin. It seemed I had bumped into a guy who could be Therans twin. I was so embarrassed that I couldnt look Keeran with a K in the face, nevertheless apologize to him. And I do have a girlfriend, he continued stiffly, but her name is Esta, not Sophie. And Im not a gorgeous ambitious witch. Im not a witch of any kind. D did you just say that y youre not a witch? I choked out, that fact shaking me more than the revelation that he was not my boyfriend.

Because that was impossible.

Everyone on Volshidren is a witch... A lethal relative, bullying royals and the deaths of two people close to her are just a few of the things that teenage Volshidrenite (witch) Sophia Courzen comes face to face with in the first saga of this brand new supernatural series. Join Sophie, as she embarks on the most dangerous, magic-filled and rewarding adventure of her life!
