

The Sword of Oranam

Set in another time and another world full of fantastical places, beasts, warriors and sorcerers, its the story of Kashy, a young girl who during a quest for a legendary magical sword comes to believe she has a destiny beyond her tiny village existence. When Kashy saves her friends from a grisly death at the hands of the feared and filthy desert Golags, it leads her to a fateful encounter with Hendra, a mighty swordsman and protector of merchant caravans plying the desert trade routes across the land of Bunaka. From this chance meeting springs a trail of adventure and personal awakening for Kashy, as she, Hendra, and his trusted friend, Dola, are set in pursuit of the legendary Sword of Oranam. Does it actually exist? Or is it but the stuff of legend? No one knows for sure, but the evil sorcerer, Brod, who has returned from exile more powerful than ever before, has kidnapped the daughter of the ruling King Maysius and demands the Sword of Oranam as her ransom.
