

## Life Support Rehab (Volume 2)

Rehab is second book of a three-part series titled Life Support. After Surviving Lives Worse Challenges, Murrells triumphant comeback story is awe-inspiring, motivational and captivating. Each edition of Life Support progressively takes readers beneath the surface of personal pains to help individuals regain a sense of ownership in life. Murrells Step-by-step process starts with acknowledging your issues, identifying root causes, and implementing a plan to rebuild broken areas of life. This Rehab handbook enables readers to actively participate in the recovery process with follow-up lessons, exercises, and journal pages. Journey with the author as she explains her relapses on her rough road to Rehab. Murrell recovered from abandonment, molestation, rape, homelessness, divorce, suicidal thoughts, and loss. Rehab reveals how she beat the odds by fighting, crawling, and clawing to get back to a place of self-identity and winning in life.
