

We Will Be Crashing Shortly

April Mae Manning from *Unaccompanied Minor* is back, and back in trouble, but this time, she's run out of chances... April Mae was raised on airplanes by her flight-attendant parents. But since her dad's death and her mom's remarriage to the nefarious pilot Ash Manning, April's been in nothing but danger: two airplane crashes; two car crashes; and now, as a student pilot, in an old plane crippled over the Caribbean. Can she survive, and save her friends, or is this the watery end to Crash Mannings story? Praise for *Unaccompanied Minor*: A laugh-out-loud thriller about family court, money laundering and skyjacking ~Kirkus Reviews
