

You Wear Many Hats

We all wear many hats in our lives, meaning many roles, interests, responsibilities, passions. It is up to us to choose wisely in filling our days with meaningful activities that show our Authentic Selves. This results in a life full of joy and love. This book lists various roles, showing the positive expressions of each position, how it enhances your life and contributes to the joy of your spirit. The genuineness of the person is reflected in each of these characters. The heartwarming quotations refer to each role, expanding your insight and making it fun. They can open up your mind to a new perspective. When we play a part, we can choose to walk the high road or get mired on a lower level. These characters are written with qualities of a higher nature, to inspire you to live well. Whether you search for the positions that fit you, or read each one thinking of your friends, neighbors, relatives in that role is your choice. Reading these words is the perfect way to start or end your day, or use as an afternoon break to recharge your batteries from the stresses of daily life. Perhaps you will use it to get in touch with your Authentic Self and remember what is important in your life. May you be blessed in countless ways as you read this book to help you go forward in a greater way. These words will influence you to open your heart and appreciate what is around you at this moment. About Author: Rhoda Rose Olson is a world-class motivational speaker, inspirational author, and musician. She has spent the past two decades inspiring others through group and individual counseling, public speaking, and writing. She helped many to overcome the obstacles in their life and move on to better living. Rhoda Rose served as Area Governor in Toastmasters International, inspiring clubs members to reach their potential. She earned her Distinguished Toastmaster Award, the highest of 9

awards in speaking and leadership awarded by Toastmasters International. She earned her Masters in Business Administration from Butler University, in Indianapolis, IN. Three years ago she had a vision in the middle of the night, revealing to her the outline for this inspirational book. She knew she was meant to share this with the world. Rhoda Rose resides in Sarasota, FL.
