

Faith Dynamics

This book, Faith Dynamics, is about the principles of faith. It details the difference between the aspect of faith or believing as it relates to redemption, and the use of faith as a force in accomplishing things for God in this world! Jesus assuredly said: Whatever you ask in prayer believing, you will receive. Never have we needed prayer to work, as we need it today. How to develop belief and apply it to the tasks of moving mountains in our lives is what this book endeavors to share with the reader/student. The goal and intent is that each reader will reach new levels of empowerment in meeting lifes obstacles and challenges-head on! You are about to discover WHY faith is the victory that overcomes the world, moves mountains and guarantees that we will get results when we pray!
